### Allowable Subject Matter

In the present Office Action, the Office indicates that claims 24-36, 48-53, 58-60 and 62 are allowable. Applicant has canceled, without prejudice, all subject matter that has not been indicated by the Examiner to be allowable. Applicant has done this solely for the purpose of having a patent issue. Applicant's cancellation of this subject matter is not to be construed as an admission as to the propriety of the rejections by the Office. As such, Applicant wishes for the record to reflect that Applicant reserves its right to file additional continuation applications to pursue subject matter that it believes it is due.

Minor amendments have been made to claims 24 and 62 and do not affect the scope of the claims.

Respectfully Submitted,
